

129th Knowledge Seekers Workshop Aug 12 2016

(:07). Special presentation of Douglas's trip to Washington to present the new Power Generator to Whitheouse. There were some people in the KF in China who were trying to delay. The Whitheouse said they wanted Yale University to check it, this was also a delay tactic. (:10). We gave the governments a chance, they are using delay tactics so like with the USB Stick we release the T worldwide. (:23). In coming days I teach you how to make water. (:32). Douglas goes over the route to Whitheouse. (:40).
