

### **37th Knowledge Seekers Workshop Part 1 Nov 20 2014**

University Degree coming in New Technology, Energy Units, Pain Pads, work with Apple Computers, Conditions are peaceful applications of technology and free sharing of knowledge, Autism treatment, Mental Deficiency due to lack of Oxygen at birth, Not yet for Downs Syndrome, Hospital coming in future, offer Masters Degree, If Gans dries out looks like Matter, but behaves like Gans, Gans can still collect on wires outside water, within the electro Magnetic fields, your dealing with a Plasma so the field extends beyond, How to get heat out of reactors, flying reactors, Heat released according to need of body, How chicken egg gets started, point of release, where difference in field has been created, Getting ready for flight, how to control it, Governments starting to take interest,

**BREAKTHROUGH** by Vinc Canada: Star formation with CO<sub>2</sub> and CH<sub>3</sub> creates a gradient, friction, How Gans effected by intention use of OM, these vibrations are on the mental level, Soul searching go on in Institute, the soul emotion doesn't have matter level frequency, works on plasma condition, gets translated to physical, Gans doesn't freeze, water in reactor is in Gans state -20 Celsius not freeze, creating a center vacuum, On the verge of running cars without fuel, pressure cooker can be used as a box for star formation, energy production, don't need to spin if you understand about the gradient, if create right conditions can see the light in plasma, first light bulb, ready for lift, changed matter (h<sub>2</sub>o) into a Gans, hold Gans in hands, be open, achieve lift, let knowledge seeker do it then they have to kill all, Russians have done what Vinc did in reactor, they trapped warship in own gravitational field, two warships, Russians have shield against latest technology, Game of war is over, Vinc's plasmatic field reaches 30 km, Vinc feels peace when come to lab, Field strength is above anything made by electronics, Range can go up 700 Km, man on street has shown knowledge is simple, How Solar systems create fields, Earth not have solid core, vacuum, everything can fly, How Iranians captured Drone, No need for a central pin,

No Curriculum, it sits within your soul, words are meaningless, with pure heart knowledge comes now, 2000 RPM expand field of plasma, surface of Earth is all oxides, Understood by man on street ... not by University., A creature in front of you needs help, out of balance, feel the fields then can help, he says he bring all the Prophets together, this technology is on the Soul level,

### **37th Knowledge seekers Workshop Part 2 Nov 20 2014**

(it's actually included in first one)

Vinc had breakthrough, he show continue until see the "bright light" then ready for lift, created a Gans gradient, changed the matter into a field,
