

#### **40th Knowledge Seekers Workshop Dec 11 2014**

Marco teaching 40 min too slow, Keshe, balls fell from sky in Namibia and Brazil, man made material, special steel made by Iran, part of core, Iranian test flight must have failed, Japanese Government tests say correct, can make nuclear energy safe, change plutonium into gold and platinum, Ready to fly in lab but Armand not see, Magnetic field belts around planets, Dark spots or sun flares, like when 129 Tesla created in Lab, when polarity changes on sun get flares, Rings of Saturn, Plasma works outside, mixes of Nano different metals to make Gans, How the eye works, the eye salt solution, earth inside out, how the MagGrav effects the emotions of man, He carries the knowledge of Universe, Landed last night with one leg coming down, Great step for mankind, Cup of Life se in Star Formation, put out in the rain before use, all spectrums in Universe absorbed and atmosphere of earth, becomes tuned to layers which you use, even just breathing in them is same, he used them to over come poisoning, different formation different effects, receive emotional pattern of environment, What Christ said, "this is my Blood and my Body", blood is emotional level of man, carries the wish of the man by what he wishes to receive, Keshe gave Ellia the gift of knowledge equal to his, level of honesty between body and soul, those looking to Stone Henge find here, the formation similar to ancient stone structures, Look at Star of David, cups made in same batch to share, not normal caustic, they arrange themselves but setting comes when add water, I pick a cup I need Cu, you same cup Zn, with this set you can reach Creator, it's Enlightenment not a voice, 12 different salts found when cremate, in Homeopathy, many are not found, don't need tangibility to know, allow the people to play their game, by deception they affirm their existence, Need to be straight forward, honest with self, Ellie employed by Foundation,

When you clean Gans from the salt stops the process, when take it out caustic grows until balance, Have to give Technology to Children first get them started, if you bring the Love of God in your work you have already reached all mankind, Keshe has the power to bring planet to halt, but what would it serve, Secrecy is problem, The religious people say they want to abolish slavery in physical, but remain slave underneath to religious people, today's intelligence equal to prophets don't need them anymore,
