

(:10). Some problems with capacitors but resolved. (:17). showing two PU that just came out of production. KF in Bulgaria was never registered. KF should never be setup to avoid pay taxes to government. (:33). Presentations from Brazil, Systems connected to appliances. (:41). K Magrav Stacker and capacitor housing, video. Standard capacitors work different then P C, plasma capacitors take longer to build up to function. Synergy Mobile phones are charge automatically without even wires. In coming months you don't need wires anymore in your house. (1:01). Heating in Plasma is so hot in melts things, have to show you how, it's not like a switch, special way or you will be heating all the time, this is also with the capacitors, but that's physical heat. In P heating you produce heat on the emotion of the man, the heating of the P of your body is actually built into the Units but we can't show you how yet, it has to be that you feel emotionally one with it and it keeps you warm. (1:07). Update on Michael Boom MG Unit, made new capacitors and changes suggested by Keshe, goes over connections very good video. (1:43). Alex comes on from Nigeria, lots of confusion, Health cup. (2:07). Africans speaking about health and energy. (2:17). Man asks about Nano coating, Keshe explains that Nano coating with us forever, ashes are nano so do not fear. The blackness in the pot is Nano materials, when you burn the meat and put salt in it to soften it you've already created Gans materials. Nano materials are safe. Mothers milk is Gans. (2:29). Back to Italy, talks about working for KF and plans for Africa. (2:41). Questions: Al wire can used instead of Cu, animals intestine make best coil. It takes a week or two to take effect. It is better to twist the Nano over the Cu Grid wire. (2:47). Heat the Cu ends before Nano coating, (2:50). The American guy says he has Systems in the house and working, coulombs barriers extending 13 inches out, can Nano coat by attaching wires to existing system. (3:02). Up to 200 million people have had contact with KF over the Internet. (3:07). Somebody with powerful Unit when he puts his hand near it he can't see the hand, scared, Keshe on private email, he was expecting this. The only way we know we exist is that our MG field is slightly different then the environment. You can make the biggest SS invisible right in front of you. If you go higher you can see the Soul. He will show the man how to become invisible at will. (3:16). When you put load on P its like a dam. Transmutation of elements, he is willing to teach, you need high power units to achieve, emotions is the highest order. Hungarian businessman working in South Korean wants to work with KF. We are hear for people who are willing to serve. Contact KF through the webmaster. (3:30). The biggest problem is that if the big guys turn against you, you become the biggest terrorist. The setup of factories in Philippines and China, etc, is helping to convince people that KF is not a terrorist. It took Keshe 8 years to figure out who betrayed him. The guys was working with Mosif (Israeli security). How come he was invited to Boeing and then went flat, in Canada they threatened to kill him. (3:40). Some trouble in Bulgaria. He worked long time with international Intelligence Agencies, he respects their point of view, they are trying to serve their country, BUT, if they have no enemies they have no job. The old man who came to poison him last year. Prince of Malta came to Ambassador Meeting, one president told him, "we never know what is in your head", they trust me with their mistresses. Alex's birthday today, he calls them, wrong. Belgian man who stands solid against all threats, and abuse.
